About This Guide

This Install Guide documents the installation process on an Mk7 VW GTI. There may be minor differences depending on specific vehicle, market, options, etc.

**Install Steps****Step 1**

Open your hood.

**Step 2**

Remove the factory oil cap.

**Step 3**

Remove the gasket from the stock oil cap. You may need to use the pick for this.

**Step 4**

Transfer the gasket to the 034 oil cap (it may take some effort to get it to seat fully).

**Step 5**

Install the new 034 oil cap.

**Step 6**

You are done. Tough one, right? Enjoy!
